LKR 700.00

[Back](#) [Pay as Go](#)

Screenshot 9

Step 05 – Then click on the “Pay as Go” button and get the Dashboard page like this

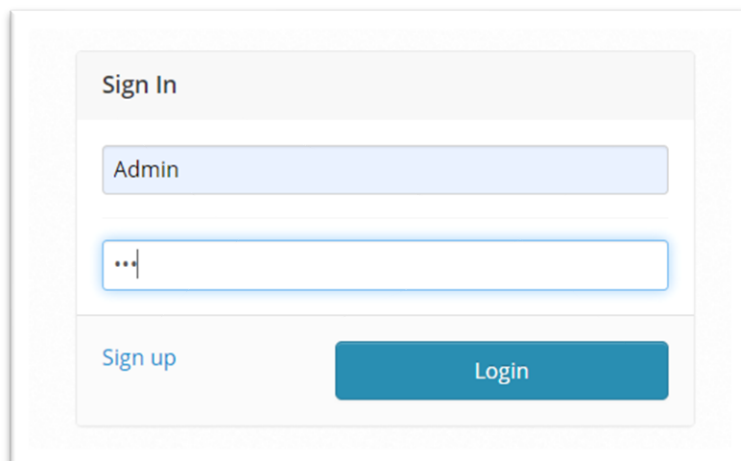

Screenshot 10

If they don't want to continue this package, they can even cancel this order by clicking on the Cancel button. But once the Status got changed as "Ongoing" then they can't cancel by clicking on the cancel button, for that they have to contact the admin people and then admin will change the status and NewOrder then only user can cancel it.

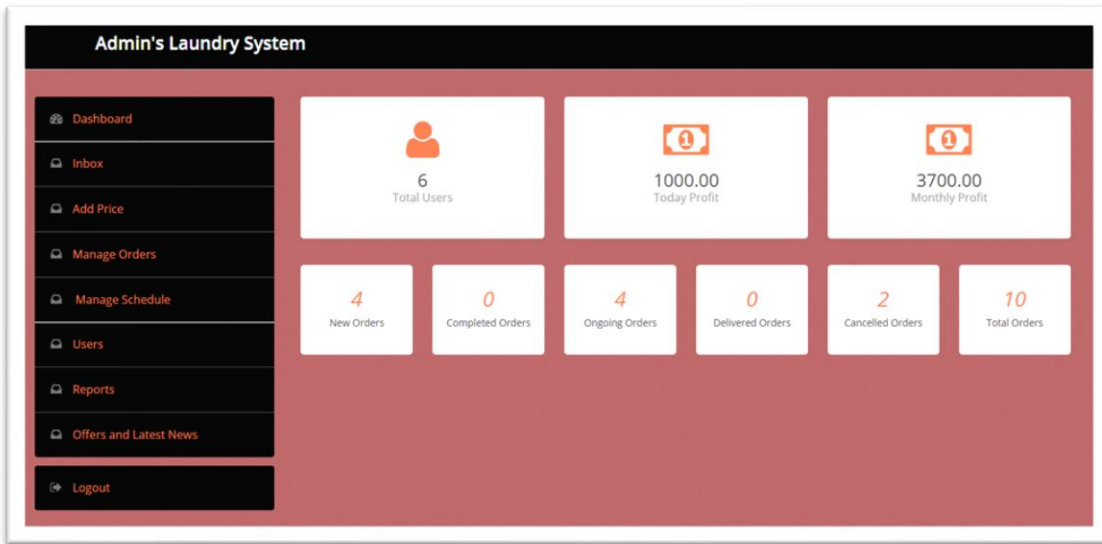

Login Page

When you give username and password you can login into your dashboard page, if you give the Username as Admin and Password as 123, you can login to the Admin Dashboard. If you are a registered customer then you have the username and password, by giving your details you will be able to open your dashboard.

Step 01 – Login with Admin credentials and see this,

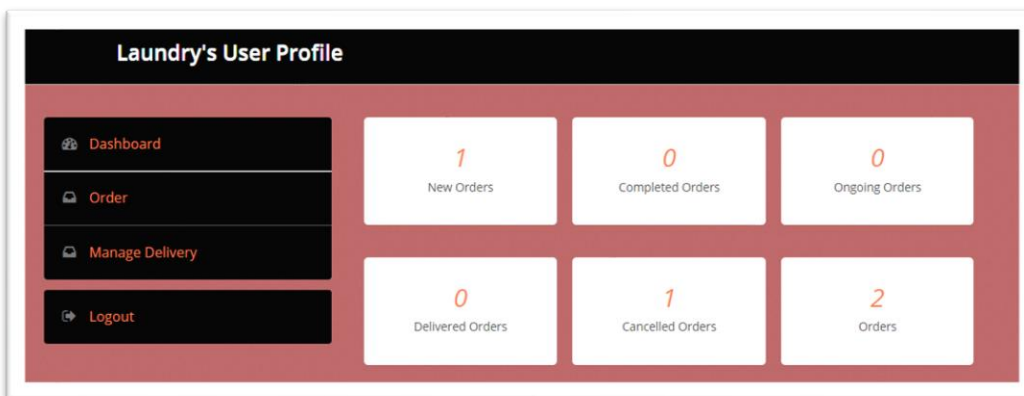

Screenshot 11 – Signup page

Screenshot 12 – Admin dashboard

Step 02 – Login as Customer, I registered as Aliya and password is 123, so my dashboard will be like this and can see the orders details as follows,

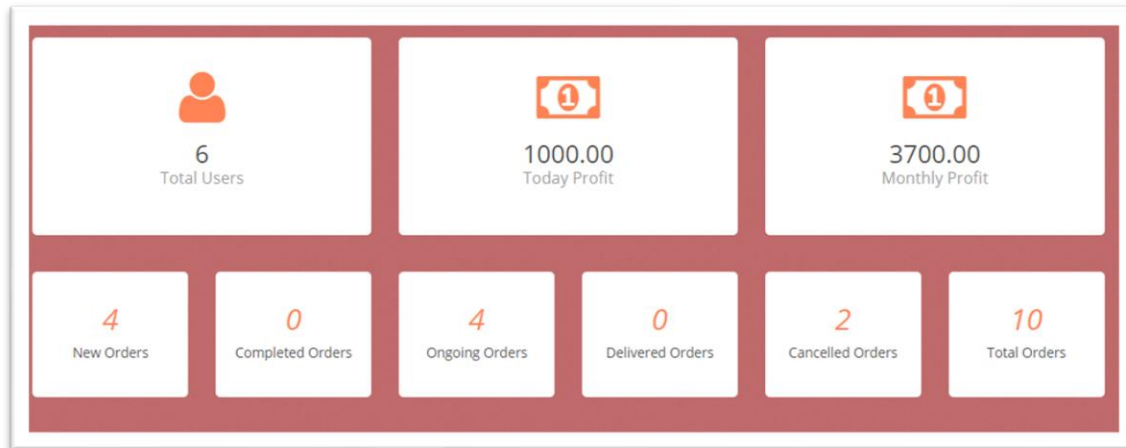

Screenshot 13

If I want to order a new item, I can go to the Home page then my name will be available instead of Login button like this,

Screenshot 14 – Profile name

Once you login as Admin and in the dashboard, you can check how many users are available in the system, can check the Monthly profit, Today profit, Total orders, Total NewOrder orders, Total completed orders, Total in ongoing orders, Total delivered orders, Total cancelled orders like this,

Screenshot 15

When you click on the Inbox option, you will be able to see how many customers sent a comment for this system by filling the contact us page.

2	Venba Kavin	11/17/2020 12:27:20 PM	250.00	Regular	NewOrder	11/17/2020 3:17:54 PM

Screenshot 18

By clicking the Manage Schedule, you can schedule the orders that means, when to deliver the order for the customer, by selecting the order no you can put the delivery date for the particular order like this,

Manage Delivery

Order No 11 ▼ 11 10 7 6 5 4 3 2

Delivery Date mm/dd/yyyy 📅 Add

By selecting this Order Numbers, you can add the delivery date for these orders.

Order Details

Order No	Customer Name	Order Date	Delivery Date	Status	Last Updated
7	Kayal Vili	11/19/2020 11:59:58 AM	11/24/2020	NewOrder	11/19/2020 12:17:20 PM
6	Venba Kavin	11/18/2020 11:10:57 AM	11/26/2020	Ongoing	11/19/2020 12:15:03 PM
5	Ayra mani	11/17/2020 3:45:53 PM	11/23/2020	Ongoing	11/19/2020 12:17:08 PM
4	Meeya Rasi	11/17/2020 1:54:43 PM	11/19/2020	Ongoing	11/19/2020 12:14:28 PM
3	Priya Ram	11/17/2020 1:53:43 PM	11/17/2020	Ongoing	11/19/2020 12:15:55 PM

Screenshot 19

By clicking on the Users option, you can see the user's details like this,

User Details

Name	Username	Email Id	Type	Register Date
Venba Kavin	Venba	venba@gmail.com	User	11/17/2020 12:26:00 PM
Priya Ram	Priya	priya@gmail.com	User	11/17/2020 1:53:00 PM
Meeya Rasi	Meera	meei@gmail.com	User	11/17/2020 1:54:00 PM
Ayra mani	Ayram	ayra@gmail.com	User	11/17/2020 3:45:00 PM
Kayal Vili	Kaylivi	kayal@gmail.com	User	11/19/2020 11:58:00 AM
Aaliya Nim	Aliya	aliya@gmail.com	User	11/19/2020 12:01:00 PM

Screenshot 20

Once you click on the reports options then you will be able to see three reports, for an example, if you click on the All pending orders, it will be like this,

Last Month Orders Report All NewOrders Report All Completed Orders Report

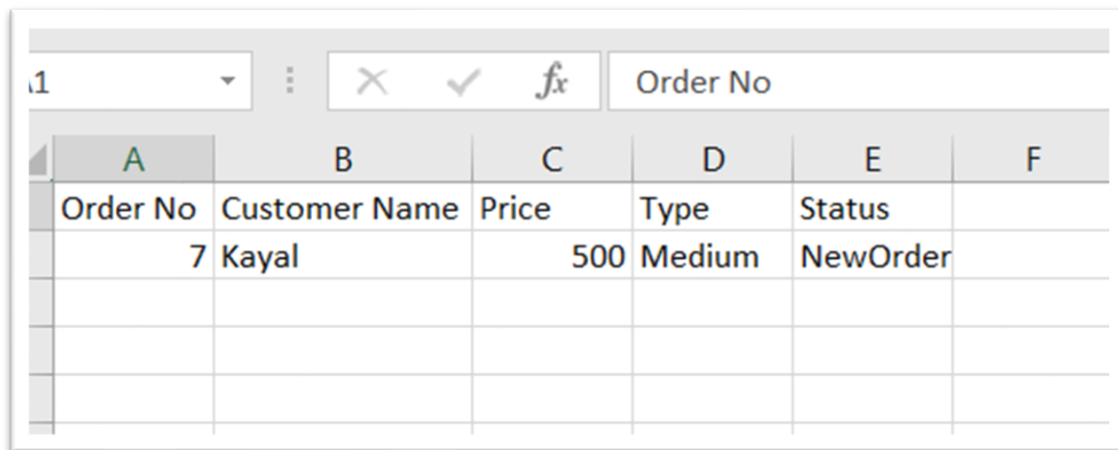

Report

Order No	Customer Name	Price	Type	Status
11	Aaliya	500	Medium	NewOrder
10	Venba	500	Medium	NewOrder
7	Kayal	500	Medium	NewOrder
2	Venba	250	Regular	NewOrder

[Export to Excel](#)

Screenshot 21

When you click on the Export to Excel link you will be able to get the report in in excel format like this,

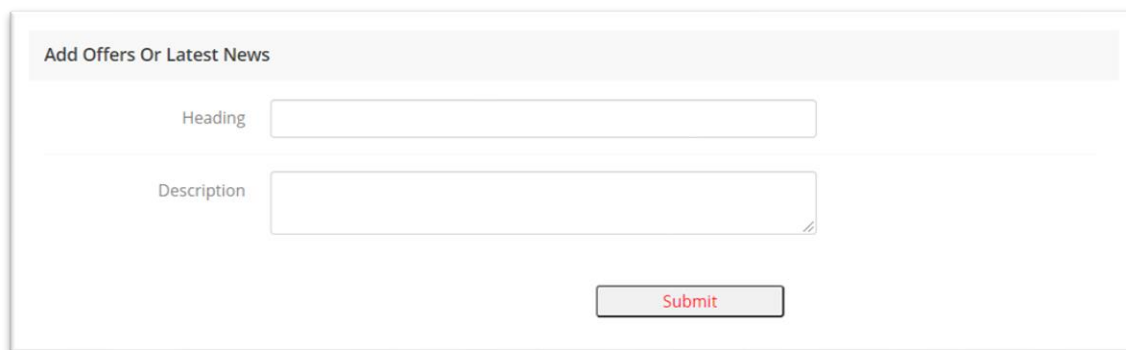

The screenshot shows an Excel spreadsheet with a formula bar at the top containing 'Order No'. The spreadsheet has columns A through F. Column A is labeled 'Order No', B is 'Customer Name', C is 'Price', D is 'Type', and E is 'Status'. The first data row contains the values: 7, Kayal, 500, Medium, and NewOrder. There are several empty rows below.

A	B	C	D	E	F
Order No	Customer Name	Price	Type	Status	
7	Kayal	500	Medium	NewOrder	

Screenshot 22

By clicking on the Offers options, you will be able to get the Offers creation form like this,

The screenshot shows a form titled 'Add Offers Or Latest News'. It has two input fields: 'Heading' and 'Description'. The 'Description' field has a small icon in the bottom right corner. Below the fields is a 'Submit' button.

Add Offers Or Latest News

Heading

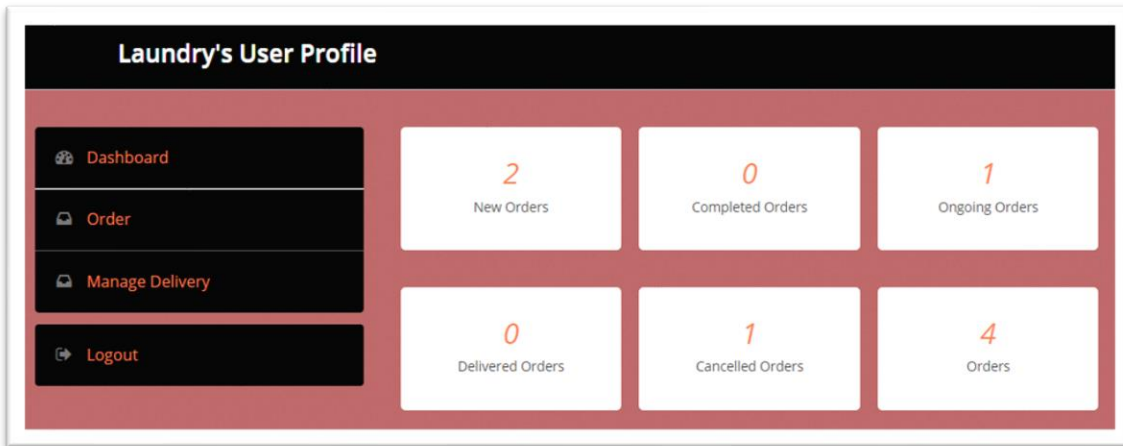

Description

Submit

Screenshot 23

Once you click on the Logout button the session will get close.

Once you click as a customer then, you will be able to see the customer dashboard like this and in the dashboard, you can see your order details like this, just assume your name is Venba so, Venba's order details will be like this,

Screenshot 24

When you click on the Order option then you will be able to see your details like how many orders you made like that,

Order Details						
Order No	Order Date	Price	Payment Date	Type	Status	Option
10	11/20/2020 12:52:42 PM	500.00	11/20/2020	Medium	NewOrder	<button>Cancel</button>
9	11/19/2020 5:11:16 PM	700.00	11/19/2020	Large	Cancelled	
6	11/18/2020 11:10:57 AM	250.00	11/18/2020	Regular	Ongoing	
2	11/17/2020 12:27:20 PM	250.00	11/17/2020	Regular	NewOrder	<button>Cancel</button>

Screenshot 25

When you click on the Manage Delivery option, you can track your order, that means, when will they deliver your order like you can get the details from this, still the status as NewOrder then, they didn't allocate the delivery date to that order yet.

Track Delivery			
Order No	Type	Status	Delivery Date
10	Medium	NewOrder	1/1/0001
9	Large	Cancelled	1/1/0001
6	Regular	Ongoing	11/26/2020
2	Regular	NewOrder	1/1/0001

Screenshot 26

Once you click on the Logout option your session will get end.

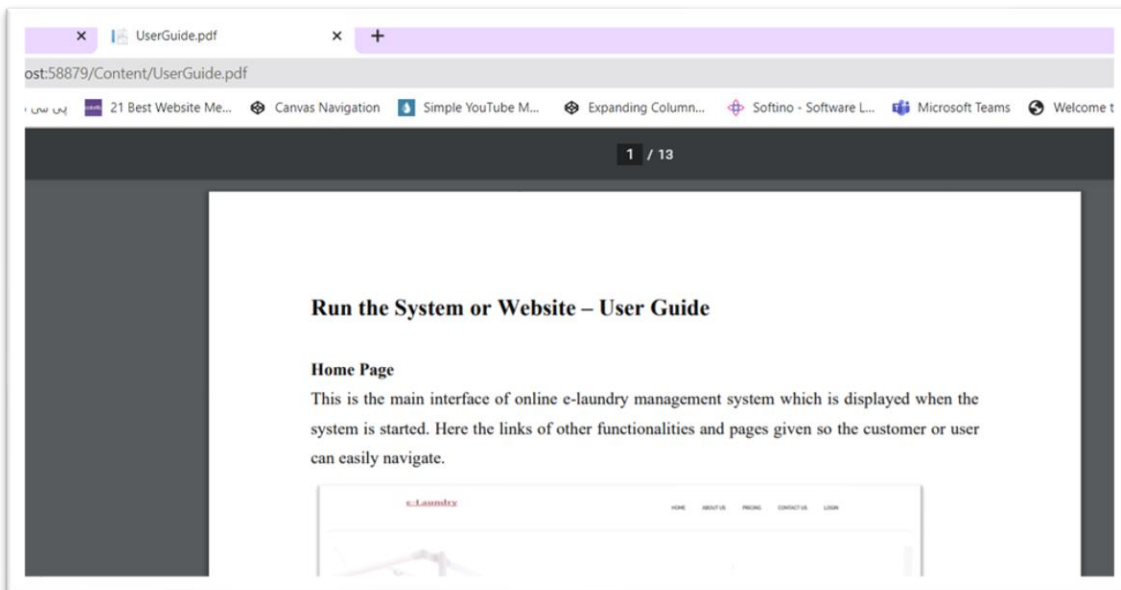

In the footer section, there is a link name called UserGuide, if you click on that, you will be able to open the document in the new window, in that document, all the details are available like how to run the system and all,

Step – 01 Click on the UserGuide link

Screenshot 27

Step – 02 Document will be open like this in the new window, after open the document, if you want, you can download the document even

Screenshot 28
